

## **Jorge Batista**

### **Professional Affairs Advisor [PGEU]**

Jorge Batista is the current Professional Affairs Advisor of the Pharmaceutical Group of the European Union (PGEU) since April 2022, representing the voice of community pharmacists in Brussels.

Before joining PGEU, Jorge was the Secretary General of the Portuguese Pharmaceutical Society, having also occupied the position of International Affairs Lead and Pharmacist responsible for the Professional Development Programme in the same organisation.

Currently, he is a Ph.D. candidate in International Health at the Portuguese Institute of Hygiene and Tropical Medicine, specialising in Health Policies & Development.
